To Valued Customer

## RE: Product Declaration

We would like to inform that none of Specific chemical substances (Please refer to Attached list) have been intentionally added to below mentioned grade(s) as raw materials and/or additives.

To the best of our knowledge, none of above mentioned chemicals will yield by chemical reactions during our production and/or preparation, but we cannot warrant the impurity of raw material.

<List of grade(s)>

UBE NYLON 5034MTX1

*Disclaimer:* This statement is prepared based on current available information from suppliers in terms of additives and raw materials, such as SDS and specification data sheet and others, thus impurities which are not reported on them are NOT taken into considerations.

This information is believed to refer to the laws and products at the date of issue. Since the conditions of commercial production are not under our control, whether express or implied, UBE Corporation makes no warranties with respect to the information contained herein.

Sincerely yours,

---

Masuaki Ichikawa  
Team Manager, Team 2  
Nylon QA Group, QA Department  
UBE Corporation
